September 2023

Dear Parents/Guardians and Supporters of Hicksville Students & Athletes,

Welcome back to the school year which will start off with its traditional fall sports season. The Booster Club is actively working to raise funds for our athletic scholarships. As a parent/guardian or simply a supporter of our Student Athletes, we would like to invite you and/or your family to become a member of the Athletic Booster Club of Hicksville. The Booster Club works very closely with the Athletic Director and the District to enhance the opportunities and fulfill the needs of ALL our student athletes. Each spring we award scholarships to several graduating athletes, and we hope to be able to increase the number of scholarships awarded. One of our fundraising efforts is our membership drive. **All** funds raised are given back to the students.

Membership dues are just one of the fundraising efforts we put forth to make this all happen. Our goal is to provide items needed which will meet the needs of **ALL** our teams, athletes, and coaches. **All that we give back to the athletes would not be possible without your support!!**

Please return the attached form with your dues for this year (2023-2024) to the Athletic Department at the High School or mail to:

HABC Membership/Erin Guida
