FOOTNOTES FOR DIPLOMA REQUIREMENTS CHART

*A. Students may meet the learning standards in technology either through a course in technology education or through an integrated course combining technology with mathematics and/or science. After meeting the state assessment requirement in math or science and two of the required credits in either math or science, a commencement-level course in technology education may be used as the third unit of credit in science or mathematics, but not both.

*B. To earn the advanced designation, the student must complete one of the following:

1. A language other than English (LOTE) (total of 3 credits).
2. Career and Technical Education (CTE) (5 credits), including one credit in a language other than English.
3. Fine Arts (5 credits), including one credit in a language other than English.

Note: Students who complete two units of study in a single language other than English no later than the end of grade 8, must pass both the class and the Checkpoint A examination in order to earn one unit of credit toward the high school diploma.
