

Living Environment Regents Review

Each week a different topic will be reviewed in preparation for the Living Environment Regents Exam. Each student should attend a minimum of once a week! Students can choose to attend as often as they like. Green Review books must be brought with the student to the review class.

Room 117

Monday, Tues, Wed, Thurs 2:30-3:15 pm

Mon and Wed 6:45-7:30 am
